27 ///

**Background**

10. Since 16-December-2004, Plaintiff has publicly noticed all entities and persons of his desire not to be contacted contrary to the provisions allowed under the TCPA, when he registered his phone number on the National Do Not Call Registry. (See Exhibit "A")

11. On or about 12-March-2015 at about 9:09 A.M. local time, through 11-May-2015 at approximately 6:53 P.M. local time, Defendant called the Plaintiff's cellular phone on a minimum of 22 occasions without Plaintiff's prior express permission or for emergency purposes. (See Exhibit "B").

12. The communications in question here are all related to telephone calls to Plaintiff's cellular phone and attempted collection of an alleged debt.

13. Defendant has not had an established business relationship with Plaintiff at any time prior to Defendant contacting Plaintiff's telephone.

14. Plaintiff has never given Defendant express consent to call Plaintiff's cellular phone.

15. The acts alleged herein all took place in Maricopa County, Arizona, in that the offending calls were received there.

16. Plaintiff has attempted to resolve this matter privately with Defendant, however, Defendant has been unresponsive, uncooperative and virtually non-communicative regarding the allegations, therefore Plaintiff brings forward these causes of action seeking remedy for violations as described under causes of action.

**CAUSES OF ACTION**

**COUNT I**

**DEFENDANT'S VIOLATIONS OF THE TELEPHONE  
CONSUMER PROTECTION ACT AT 47 U.S.C. § 227 (b)(1)**

17. Plaintiff alleges and incorporates the information in paragraphs 1 through 16.

1 18. Defendant has demonstrated non-compliance with 47 U.S.C. §227(b)(1) by using an  
2 automatic telephone dialing system that has the capacity to store or produce telephone numbers  
3 as described at 47 USC § 227(a)(1) to call Plaintiff's cellular phone.

4 19. Defendant contacted Plaintiff via telephone without an existing business relationship  
5 between the parties, contrary to 47 U.S.C. 227(a)(2).

6 20. Defendant initiated a minimum of 22 phone calls to Plaintiff's telephone absent  
7 Plaintiff's express consent (see Exhibit "B"). Defendant violated the TCPA at 47 U.S.C. § 227  
8 (b)(1)(A)(iii) which states in part;

10  
11 (1) PROHIBITIONS.—it shall be unlawful for any person within the United States, or  
12 any person outside the United States if the recipient is within the United States—

13 (A) to make any call (other than a call made for emergency purposes or made with  
14 the prior express consent of the called party) using any automatic telephone  
dialing system or an artificial or prerecorded voice—

15 (iii) to any telephone number assigned to a paging service, cellular telephone  
16 service, specialized mobile radio service, or this radio common carrier  
service, or any service for which the called party is charged for the call;

17 21. The TCPA allows for a private right of action at 47 U.S.C. § 227 (b)(3) of \$500 for each  
18 violation.

19 22. The TCPA, at 47 U.S.C. § 227 (b)(3) further states in part;

20  
21 "If the court finds that the defendant willfully or knowingly violated this subsection or  
22 the regulations prescribed under this subsection, the court may, in its discretion,  
23 increase the amount of the award to an amount equal to not more than 3 times the  
amount available under subparagraph (B) of this paragraph."

24 **COUNT II**  
25 **DEFENDANT'S VIOLATIONS OF THE TELEPHONE**  
**CONSUMER PROTECTION ACT AT 47 U.S.C. § 227 (c)(5)**

26 23. Plaintiff alleges and incorporates the information in paragraphs 1 through 22.  
27

24. On 13-December-2004, Plaintiff publicly and formally noticed and requested all entities and persons through registration of his assigned phone number on the National Do Not Call Registry his express non-consent to receive any calls from parties subject to the TCPA.

25. Defendant called the Plaintiff's cellular phone on a minimum of 22 occasions, contrary to 47 U.S.C. § 227 (c)(5).

26. Defendant repeatedly harassed, oppressed and abused Plaintiff as demonstrated by calling the Plaintiff's phone number, more than once during a 12 month period, which states in part:

(5) PRIVATE RIGHT OF ACTION.--A person who has received more than one telephone call within any 12-month period by or on behalf of the same entity in violation of the regulations prescribed under this subsection may, if otherwise permitted by the laws or rules of court of a State bring in an appropriate court of that State—

(A) an action based on a violation of the regulations prescribed under this subsection to enjoin such violation,

(B) an action to recover for actual monetary loss from such a violation, or to receive up to \$500 in damages for each such violation, whichever is greater, or

(C) both such actions.

**COUNT III**  
**DEFENDANT'S VIOLATION OF THE FAIR**  
**DEBT COLLECTION PRACTICES ACT 15 U.S.C. §1692 d**

27. Plaintiff alleges and incorporates the information in paragraphs 1 through 26.

28. Defendant has not validated an alleged debt owed of Plaintiff.

29. The number of calls Defendant placed to Plaintiff is clearly excessive and contrary to the protection intended to consumers by the FDCPA in every regard.

30. Defendant engaged in conduct of which the natural consequence resulted in harassment, oppression and abuse by repeatedly contacting Plaintiff in violation and contrary to 15 USC §1692d which states in part,

806. Harassment or abuse

A debt collector may not engage in any conduct the natural consequence of which is to harass, oppress, or abuse any person in connection with the collection of a debt. Without limiting the general application of the foregoing, the following conduct is a violation of this section:

- (5) Causing a telephone to ring or engaging any person in telephone conversation repeatedly or continuously with intent to annoy, abuse or harass any person at the called number.

### CONCLUSION

Defendant clearly disregarded the TCPA and FDCPA as evidenced by the number and frequency of telephone calls placed to Plaintiff's cellular telephone. Defendant has refused to remedy this matter with Plaintiff and forced Plaintiff to take civil action against Defendant, straining Plaintiff and this Courts' resources. Plaintiff was tormented by calls placed by Defendant to Plaintiff's cell phone, especially during a period of grieving following the death of a family member. Plaintiff has never had any business relationship with Defendant and Defendant has failed to validate any alleged debt.

Plaintiff respectfully urges this court consider the widest latitude of margins regarding "willful or knowing" when considering the nature of the Defendant's business and expected business conduct of a debt collector regarding outgoing telephone calls to consumers. Defendant clearly harassed, oppressed and abused Plaintiff when Defendant knowingly and willfully contacted Plaintiff via telephone contrary to consumer protection laws designed to protect consumers from abusive business practices and the accompanying injurious harassment, oppression, annoyance and abuse associated with unwanted phone calls.

Absent the affirmative defense allowance of the TCPA at 47 U.S.C. § 227 (c)(5), Plaintiff respectfully requests this court use its discretion and find Defendant willfully and

1 knowingly violated the TCPA when Defendant excessively placed phone calls to Plaintiff's  
2 cellular telephone.

3 **Reservation of Rights**

4 Plaintiff reserves all rights to modify or amend his complaint as necessary and for actual  
5 damages that have occurred or that discovery may bear as witness, including but not limited to,  
6 Defendant's telephone system records which may reveal additional unauthorized calls and  
7 repeat violations made by Defendant to Plaintiff's phone. Plaintiff also reserves the right to  
8 pursue additional causes of action against Defendant for violations not represented herewith  
9 and a trial by jury.  
10

11  
12 **WHEREFORE**, based on facts set forth in the above counts, Plaintiff demands

- 13  
14 (a) a decision favoring Plaintiff in this action on all counts,  
15 (b) minimum statutory damages of \$22,500.00 payable by Defendant, up to the maximum  
16 statutory treble damages for willful or knowingly violating the TCPA, \$65,500.00, and  
17 any additional relief as it may bear,  
18 (c) court filing fees, service of process or other expenses and reasonable attorney fees,  
19 (d) any and all such other relief as may be just.
